

# Congratulations!

*Congratulations to Danny's Farm  
Now a State Licensed  
After School Program!*

Danny's Farm hosted a staff meeting and disability awareness visit for staff members of the Los Angeles Universal Preschool (LAUP). LAUP's goal is to make high-quality voluntary preschool universally accessible to every four year old in LA County.

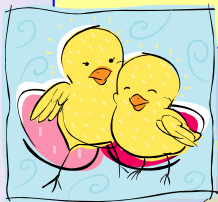

Stephen, of Danny's Farm, teaches our visitors how to use sign language to communicate about the animals.

As part of his Eagle Scout project, Thomas Bushnell created the large cow decoration for our entrance, put up the awning outside the wash area, and painted picnic tables! Many Thanks Thomas!
